

### PRESS RELEASE

FOR IMMEDIATE RELEASE

#### ERA CONSULTING GROUP - LS RETAIL GOLD PARTNER 2019

**MONTREAL, Quebec — JULY 5TH, 2019** — The Era Consulting Group, expert in ERP implementation for the past 15 years, is pleased to announce that it has been named LS Retail Gold Partner for 2019. LS Retail Gold Partners have attained a special level within the partner network through excellent performance in sales, service and support to customers using LS Retail solutions.

To achieve Gold Level, partners must provide exemplary service and support, and fulfill demanding criteria in their performance and commitment as LS Retail Partners.

#### **Benoît Gagnon, ERA Consulting Group CEO, quotes:**

« Partnership is in our DNA. Throughout the years, we've built strong customer relationships being business partners, not just suppliers. We consider every project as ours, and our work is based on highly synergistic collaboration and personalization. »

« Today, we're honored to consolidate our business with LS Retail with this nomination and unify our strengths to help more companies deploy successful projects. »

#### **Magnus Norddahl, LS Retail CEO, quotes:**

« There's an African proverb that says: « If you want to go fast, go alone. If you want to go far, go together. » For a long time, we have been building up our Partner Network and some of our partners have been around for over two decades. LS Retail would not be where it is without the togetherness of the network. The expanding channel of partners provides local support and services all over the world, and LS Retail is very grateful for their loyalty and dedication. Together we bring our customers world class solutions deriving from best practices from all over the world », says Magnus Norddahl, CEO and President of LS Retail. « Our Gold Partners have delivered fantastic results in the past year to contribute more value in their partnership with LS Retail. We are proud to recognize and honor ERA Consulting Group for the superb performance over the past year. »

#### **About the ERA Consulting Group**

The ERA Consulting Group is a Quebec company headquartered in Montreal. For the past 15 years, we've successfully implemented ERP software solutions in Quebec, Canada and all around the world.

We possess undeniable expertise. Our team includes seasoned businesspeople with ten to fifteen years of industry experience, delivering simple solutions to complex challenges.

We work in partnership with our clients to help them reach optimal resources planning to reduce cost and increase productivity. We've deployed proven business solutions to support more than 100 customers reaching their next level of growth.

“ Partnership is in our DNA. ”

— BENOÎT GAGNON, CEO ERA CONSULTING GROUP —

#### **About LS Retail**

LS Retail is a world-leading provider of all-in-one business management software solutions for retail and hospitality companies of all sizes.

For over two decades, we have been developing market-leading software solutions that are currently used by retailers and restaurateurs in 140 countries.

Thanks to our vast knowledge and experience in the retail and food-service industry, we are able to offer scalable solutions to manage the complex operational requirements of organizations within such diverse areas as: fashion, electronics, furniture, duty free, restaurants, coffee shops, forecourt, c-stores and many more.
